- ✓ **Individuals and families emigrating financially**
- ✓ **South African Trusts**
- ✓ **Retirement Products Financial Emigration**

ACS Plus provides a comprehensive service for individuals and families wishing to formally emigrate financially from the Republic of South Africa, be they inside the country, or have already relocated abroad.

We have over 5 years experience assisting clients with a legally-abiding emigration. Our portfolio includes financial emigration to top destinations such as UK, USA, Canada, New Zealand, Australia, UAE and more.

Our tax qualifications, knowledge of the current tax laws, our relationship with banks, our understanding of Treasury requirements and dealings with the Mutuals (retirement industry) gives us the edge in facilitating your complete financial emigration as well as the recovery of any financial assets such as retirement savings and tax income.

We also offer services for the more complex scenarios where emigrants are beneficiaries of South African trusts and/or clients continue to carry on business in South Africa after emigration.
